

Expectations for Behaviour and Relationships in the Education Learning Trust

Collaborate:

- Every single pupil has a teacher who knows them well, securing positive relationships and connections between our schools and families.
- All stakeholders are invested in the ambitious expectations we have of our pupils because they feel consulted.
- Successful strategies are shared to enrich our pupils' learning experiences and impact on outcomes.

Empower:

- Pupils are ready to learn and have everything they need equipping them to achieve academically, be confident and feel equal amongst peers.
- Accountability is high and enables our pupils to understand consequences, taking ownership of their behaviour in the school and community.
- Expectations are continually articulated with consistent language and application of policy everywhere in school.

Achieve:

- The quality of education, relationships and exceptional curriculum expectations are viewed as interrelated.
- Staff are curious and engage with research to seek out how change can occur in the classroom ensuring our pupils benefit from improved provision to meet their needs.
- Restorative and reflective approaches develop self-control and compassion.
